RE: Notice of Temporary Street Closure for Road Repairs

Dear Residents of Brookshire,

We would like to inform you that **road repairs will be taking place on your street** as part of ongoing efforts to maintain and improve infrastructure throughout your community.

To ensure the safety of both workers and residents, your street will be **temporarily closed to through traffic** during the construction period. Work is expected to begin **on March 16, 2026** and may take several days to complete on your street, depending on weather and site conditions.

Construction Schedule:

- **Monday through Friday:** 7:00 a.m. to 7:00 p.m.
- **Saturday:** 8:00 a.m. to 7:00 p.m.
- **No work is scheduled on Sundays**

We kindly ask that you **refrain from parking on the street during working hours** and make necessary arrangements for vehicle access ahead of time. Access to homes may be temporarily restricted during certain phases of the repair, but crews will work to minimize inconvenience and restore access as quickly as possible.

We appreciate your patience and cooperation as we complete this important improvement project. If you have any questions or need assistance, please contact:

Julio Ledezma
