

The State of Texas will be holding a statewide emergency alert drill tomorrow, **April 2, 2026, between 10:00 a.m. and 12:30 p.m.** Don't be surprised if you get more than one alert during this time.

Waller County OEM will send out a test alert through the Onsolve (**CodeRed**) community alert system. Please remember this is a voluntary system, so you need to register to receive alerts.

Waller County residents can use the link below to sign up for the emergency alert system. <https://accountportal.onsolve.net/wallercountytexas> If you need assistance with registration, please contact our office at **979-826-7785**.

The poster features a red top section with a yellow bell icon and the text "EMERGENCY ALERT TEST" in large white and yellow letters. Below this is a dark blue section with a yellow banner that says "STATEWIDE DRILL". The date and time "Thursday, April 2 10 a.m. - 12:30 p.m." are displayed in white. A white horizontal bar contains a green checkmark and the text "NO ACTION REQUIRED". At the bottom, a small mobile phone icon is followed by the text "You may receive a test alert on your mobile device." On the left side, a white smartphone is shown with a notification bubble that reads "EMERGENCY ALERT TEST" and "This is a test of the emergency alert system."
