

## **FENCE PERMIT APPLICATION**

*(Permit is not required for the maintenance of a residential fence as required by Sec. 10-355. Permit is required if major repair is needed to bring the residential fence into conformance)*

Please submit the **Permit Application** (attached) with all supporting documentation listed in the **Specific Application Checklist** below. Applications may be submitted in person or electronically (pdf format) by e-mail. For electronic submittals, please include the address of the property and the type of application in the subject line of the e-mail.

**Incomplete and partial applications will not be accepted.**

Submit application packets to [permits@brookshiretx.gov](mailto:permits@brookshiretx.gov)

**Please include the following in the subject line of the e-mail:** Address of the project/Commercial or Residential/Type of permit. Example: 1000 Main Street/Commercial/Fence Permit

**Contractors Registration** will need to be sent in a separate email to [permits@brookshiretx.gov](mailto:permits@brookshiretx.gov)

**Subject Line:** Name of Contractor's business/ Address of the property

### **SPECIFIC APPLICATION CHECKLIST**

**Please submit the following items or indicate NA if not applicable**

- ☐ Completed Permit Application Form (Attached)
- ☐ Application Processing Fees and other application fees
- ☐ Letter of intent explaining the request in detail and reason for the request
- ☐ Authorization required on the form if the application is signed by someone other than the property owner.
- ☐ Location map clearly indicating the site in relation to adjacent streets and other landmarks
- ☐ One (1) copy of proof of ownership (recorded property deed or current year tax statements)
- ☐ The general required documents in electronic format
- ☐ Plot Plan showing the location of the fence on the property, including location of water meters and fire hydrants. (Signed sealed by a registered engineer if required)
- ☐ Contractor Registration
- ☐ Drawings showing the height, material, and other pertinent details.
- ☐ Recent Survey

#### **Fence Construction Guidelines**

The following guidelines have been extracted from existing city ordinances to assist you in managing your fence project during the course of construction. This document is general in nature and does not modify or supersede any city ordinance in effect which takes precedence over this guideline.

1. Will be constructed around water meters so they remain readily accessible from the street or easement (gated access is not permitted).
2. Fences must be set back a minimum of three (3) feet from the edges of the meter box.
3. Fences will not obstruct access to fire hydrants and will be set back six (6) feet from the hydrant on all sides.

**Please contact City staff for inspections**

**Please note:**

1. Please check the appropriate box for the type of permit being applied for and provide the items as required in the attached applicable Specific Application Checklist.
2. All permits require final inspection.
3. A certificate of occupancy must be issued before any building is occupied.
4. All provisions of law and ordinances governing this type of work will be complied with whether specified or not.
5. The granting of a permit does not give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
6. All the Construction Plans need to be submitted as one PDF (preferable) and the application and supporting documents need to be included as another combined PDF.
7. Brookshire Katy Drainage District (BKDD) approval – Please contact BKDD to obtain the application form. Building permit will not be issued without the approval from BKDD.
8. Brookshire Municipal Water District (BMWD) approval - Please contact BMWD to obtain the application form. Building permit will not be issued without the approval from BMWD.
9. Texas Department of Transportation (TxDOT) approval (if required) - Please contact TxDOT to obtain the application form. Building permit will not be issued without the approval from TxDOT (if required).
10. Construction Site Guidelines:
  - Please remove all tree cuttings and brush from the site. Fresh wounds must be painted within 1 hour after cutting.
  - Please remove trash and debris daily to prevent it from blowing onto adjoining property.
  - Please confine your working hours to reasonable times to abide by the contractor/subcontractor work hour restrictions.

I hereby certify that I have read and examined this application and know the same to be true and correct.
